RE: Surety Documents & CD certificate for file S-051-006 Witt Excavating Sandstone Quarry

Dear Joelle;

Enclosed you should find the original signed surety documents. The certificate number has been written on the first page. I believe the page split is correct. Also enclosed is the receipt for the CD which the Rockin E Ranch, Inc. has set up.

I also have enclosed the original letter from the Rockin E Ranch, Inc. which indicates some of our concerns with regards to the reclamation of its' property. Unlike the faxed document this one has been signed.

Hopefully this will have every thing wrapped up with regards to this mine site. Any penalties assessed should be sent to Witt Excavating as they are and were the actual entity operating the mine. Thank you for the courteous and prompt help you have extended on this issue!

Sincerely,

Benjamin J McNaughtan
President, Rockin E Ranch, Inc
